LIFETIME VALUE TERM

Traditional Group Term Life Is a Core Employer Benefit Offer.

NOW AN AFFORDABLE

GROUP TERM LIFE TO AGE 120 IS HERE!

- **Group Term Life Plans usually become expensive over time.** With guaranteed issue group term life, as employees age, their life insurance becomes very expensive. Also, if the employee leaves the employer, they will pay a much higher “Portability Rate” on the traditional term life policy if they wish to continue the coverage.
- **Our Group Term Life (to 120 years!) Premiums Never Change.** By providing the core life insurance and giving your employees the option for a voluntary Group Term to age 120 policy, you can provide one of the most affordable, permanent life coverages in the marketplace.
- **Our Group Term Life to 120 has “Living Benefits” too!** In addition to traditional life coverage, our plan includes “*Critical, Chronic and Terminal Illness*” benefits as well.
